HAPPY THANKSGIVING

Gobble - Gobble

FROM THE LEADER OF THE PACK

Hello everyone. October was kinda a slow month. Big Bike Weekend was here. Some of us did the poker run to Manton. It was a lot of fun. We went into the store in Manton - that was really nice. If you haven't been there you should stop and check it out. Our dinner ride ended up at Good Times Pizza instead of Cedar Tree. The Hawes Farm was a flop. They do not have a spoke house. BUT - the Halloween Party at Randy & Jody's was a blast. If you missed it you missed out. We had a lot of fun. Some of our members couldn't make it to the clean up the next morning - they had a little more fun then the rest!

Let's Ride and Have Fun

On to November. This month is the UBNC Toy Run on the 10th. We will meet at 11:00, bring a toy and join us. On the 24th we are having the Turkey Shoot - bring you pistol and ride out to the range with us. Lunch will follow.

Have a great Thanksgiving and see you soon.

Mike

FROM THE V.P. - Lee Klein

Just wanted to thank everybody who participated in making our fourth National Member's Halloween party a rousing success. The set up was great, the spooky castle to the scary tunnel, the witches brew over in the corner, the Billy's were great. Thank you Evil Fairy and Tonto for again donating your barn, we all had a great time.

It's that time of year again where a lot is coming up and hope to see you there. The Toy Run is coming up, there are a lot of kids out there that probably won't

get toys if we don't help out. If you can't make the toy run, perhaps you can donate a toy and someone who is going on the run can take it, or give me a call and I can make arrangements to pick it up. Let's make a Christmas memory for a child. And now, the canned food drive. Holidays can be tough for some folks, and last year, when we did the canned food drive, it was really a disappointment to see how empty the truck was. The Salvation Army officer was saying they may not be

able to supply the demand for food that year. So this year, my goal is to double what we gave last year. Dig deep, let's give to those really in need, and help out our community. Cash donations are always welcome, we take all the money donated and shop at the canned food store and they give us a ten percent discount, so we can really stretch that dollar. Any questions, give me a call.

THE
REAL
DEAL
BY
Bev Nocerini

Our year is gearing down & we have lots of activities planned. As chairman for REAL I would like to invite all of you to participate in whatever events you can! We are participating in food drives, the toy run & other things that really make a difference in people's lives in our community! If not for our participation, some people would have no help what so ever. Check your calendar for the dates. Jot it down so you don't forget. If you can't go, donate food or cash to buy food.

We will be delivering our blanket throws in December. Get your singing voice ready! We will be doing our annual Christmas Carols when we visit. It's always fun! The residents enjoy it too. Plus they love to see all of our bikes! Let's make a difference. The more the merrier!!!

Thanks!

SAFETY SAFARI - By Don Saewert

Riding across poor road surfaces, sand, mud, water or any loose surface or obstruction in the road:

1. Downshift and slow before you reach the problem area.
2. If there is traffic in the area, make sure that the drivers are aware you are slowing.
3. Try to cross the bad surface in a straight line, or at least, do not change direction or speed abruptly.
4. Stay ready to maintain the balance of the motorcycle.
5. If you are moving along and have to go over an obstruction that is lying across the road, like a 2x4 piece of wood, rise up on the foot pegs and shift your weight toward the back of the saddle as your front wheel comes up to the obstacle. This will make it easier for the front wheel to bounce up and over. Then move your weight forward to help your rear wheel get over .
6. Do not accelerate until your bike is completely over the obstacle.

Go riding. Have your ride. Be safe.

Hope to see you riding soon!

Don S
